Online Portfolio: josephmontillo.com
Framingham State University - Bachelor of Computer Science - Fall 2012

Full Time: TRUX - Lead UI/UX Designer (Sept 2020 - Present)
Leading and managing Trux UI/UX. Our suite of web/mobile products serve the material hauling and trucking space.

Full Time: Reflexis Inc - Senior UI/UX Engineer (Jan 2013 - Sept 2020)
Led Reflexis UI/UX resulting in their successful buyout by Zebra for $575M in July 2020.

Led brainstorming, design and development processes for Reflexis web and mobile applications with a focus on optimal user experience serving many retail giants.
> o App UI/UX was a major factor in Reflexis being acquired by Zebra in July of 2020
> Article: zd.net/34woOZr
> o App UI/UX was mentioned as #3 of the top 5 takeaways at the NRF Big Show 2016
> Article: bit.ly/1pYjkyv (bigshow16.nrf.com)

Part Time: Framingham HS - After-School Web Design Teacher (March 2019 - Aug 2020)

Consultant: CEO in a Box - CTO/Graphic Designer (Jul 2011 - Jul 2020)
Startup in the technology and health niche. Raised capital plus a diverse and talented pool of developers from MIT and Brandeis. During my sweat equity term my role was to handle all technology accounts, UI/UX and marketing.

Freelance: deHaas Creative - Web Design/Development (Feb 2016 - Feb 2018)
Designed/developed websites for clients.

Full Time: Purpose Inspired Marketing - Web Design/Development (Jan 2011 - Oct 2012)
Startup in the website creation and marketing niche. During my employment we started with a team of two (the founder and I) and added to the team: two in-house developers, 6 outsourced developers and one intern.

Part Time: Mercedes Benz - Sales experience (June 2009 - Jan 2011)

Part Time: Bj's Wholesale/CompUSA - Retail experience (Feb 2006 - June 2009)

Freelance: josephmontillo.com - Owner (Aug 2006 - Present)
My small website design/dev business. Custom web content, custom websites and Wordpress websites for individuals and small businesses for many years with a focus on UI/UX and solid development fundamentals.
